2012 Highlights

Olympics 2012: In 2012 the Olympics came to London! In this event 205 countries participated from all around the world. The games started on July 27th 2012 and ended on August 12th. Amazing records have been broken, lots of medals have been awarded. It's unbelievable. The motto of the Games was "Inspire a Generation" which it did.

Man jumps from space successfully: Felix Baumgartner has successfully jumped from space and landed safely. He has broken a amazing world record.

Bungee jump: An Australian woman has survived a dramatic bungee jump near Victoria Falls in Zimbabwe, which went wrong after the cord snapped. The 22-year-old suffered a fractured collar bone and massive bruising after plunging into a crocodile-infested river more than 100m below.
