

Madam Coates' Dame of Victory

Hello, I'm Cherise Robinson and I am here to report about a wonderful achievement made by the principal of Burlington Danes academy, Madam Coates, who has been at this school for four decades and has made many changes that have improved this school rapidly. Madam Coates has been reward to be knighted: The Dame! for her services in education and this was congratulated by the queen herself which is a great accomplishment. This sets the bar very high for students at Burlington Danes as there are very high expectations that need to be reached. "I get to bask in the glory but without the staff and the dedication of all the pupils, this would not have been possible it is a great reflection on everyone at Burlington Danes" Inquired Madam Coates.

There are also many students that would like to say their opinions on Madam Coates outstanding achievement.

"I think that Madam Coates deserved to be knighted because it just shows how much she has put into Burlington Danes and how madam has changed it all around and made it into a better place." Quoted Mimi Powell.

"I think it's a fantastic achievement for madam Coates as it makes the students feel proud and it promotes the school in a very positive way." Answered Saleem shah.

In conclusion, I think that madam Coats is a perfect role model and inspiration to all students in Burlington Danes

Academy and sets very high expectations to all of us and without her, our experience at Burlington Danes just wouldn't be the same. As we say in Burlington Danes: believe it , dream it , achieve it!
